

# TRINITY PRIMARY SCHOOL

## Weekly Bulletin

Class: P6J, P6M & P6/5D Date: 23/11/17

This week the children have been continuing to learn about their extreme earth as part of our Bears Grylls topic. We are happy to see that the children have become very independent with their learning. All the wall displays have lots of interesting facts, posters and models. It is good to see that the children have been thinking about Make, Say, Write, Do.

This week we have continued with multiplication but have been focussing on the written method. It is great to see that some of the children have been working on learning their times tables.

As part of literacy we have been writing a newspaper article about the moon landing. The children have been looking at different newspaper articles and identifying the various features. We will be editing our newspaper this week.

This week P6/5D are visiting the theatre on Wednesday afternoon. It is house Christmas art day on Thursday - remember your Christmas jumper! Friday is Christmas star time.

### Remember!

#### PE:

P6J - Tuesday and Wednesday

P6M - Wednesday and Thursday

P6/5D: Tuesday and Thursday

Please ensure that all children are prepared for school every day.   
Please bring a pencil, to school so you are ready to learn each day.
