

Trinity Primary School

Primary 3 Bulletin

Friday 21st September

This week we started our new Science topic: Material World. This week we have been indentifying and classifying a variety of objects. As part of our focussed reading we have been identifying nouns. In our writing we have been using adjectives to describe our favourite toys.

In Maths we have been revising 3D object names. You can help by looking for objects around the house. We have started to look at the properties of 3D objects and will continue this next week. We have also been looking at partitioning numbers, 27 is 2 tens and 7 ones (units) etc..

Next week..

- Football - Mini Kickers (Tuesday)
- Maths: properties of 3D objects
- Literacy: common words
- Science: Material World

Homelearning is shared every Thursday.

Information

- a full water bottle
 - gym kit
- Please can all pupils' clothes be labelled.**

Trinity Superstars are:
