Weekly Bulletin

Class: P5C, P5D & P5S Date: 21/09/18

Remember!

This week in P5 we have:

- started our new topic 'Be Specific About the Pacific'. The children have used atlases to locate the Pacific and its surrounding countries.
- been looking at the different strategies that can be used when mentally adding doubles and near doubles.
- used the iPads to research information about the Pacific. We then took notes on what we thought were the most relevant facts.
- created a quiz about the Pacific using our notes from our research. We then got someone to complete our quiz.

Please bring in any empty egg boxes that you have as we will soon be selling eggs from our own chickens.
