

Trinity Primary School

P4 Weekly Bulletin

Class: P4M, P4S and P4G

Date: 1.02.19

This week's Trinity Superstars from P4 are:

This Week

We have been testing different materials to find which are conductors and insulators. We wrote a report to share our findings.

In maths we have continued to read digital and analogue clocks and convert between 12 and 24 hour time.

We enjoyed the online Author's Live event with Frank Cottrell-Boyce.

We have had our final week of looking after the chickens and cleaning their coop. We will continue selling their eggs on at 12pm each Friday.

Next Week

Next week is the Melville Coffee Morning from 9-9:45am.

Star time is at 11am on Friday. If you wish to join your child, please ensure you know which activity they taking part in and wait in the office to be directed to their group.

We are making sculptures next week. Please bring in any spare cardboard and old coat hangers.

Thank you for your offers of help to our Dundee trip. If anyone else is available to come, please tell the school office or a P4 class teacher.

Please note that this bulletin is available to view online at the Trinity Primary School website: trinity-pri.com
It can also be viewed through the window of the P4M classroom, which is on the ground floor of the chalet.
