

TRINITY PRIMARY SCHOOL

Weekly Bulletin

Class: P7 25.02.19

Show time has arrived!

The children are excited about their upcoming Primary 7 show and will be working hard over the next five weeks. This week the children have been introduced to 2 whole cast dances. We are looking forward to launching our script next week with Mrs Scott.

Our new maths topic is data handling which will be covered over the next 5 weeks. The children have really enjoyed their gaelic football experience and the last session will be on Monday 25th February.

The children are also enjoying our #Writing Works project and will be working in teams over the next few weeks to plan a convincing pitch based on the new Ocean Terminal.

Remember!

Please bring a water bottle in for dancing sessions.

Remember your song lyric booklets.

Please bring in your proposal for your personal project on Friday.

Remember to book parents appointments.
