### This Week

In Literacy, we read instructions and wrote our own on a subject of our choosing. In maths we have continued working on reading the time and introduced the concept of the 24-hour clock.

We explored how energy changes from sound, to movement, to heat and light. We enjoyed making circuits with buzzers and motors and loved working with the Snap 'n' Fix kits!

For Art we looked at the work of Russian artist, Wassily Kandinsky. We created our own concentric circles inspired by his art and will be creating a sculpture with them after the break.

### Next Week

Thank you to everyone who was able to visit for our Coffee Mornings. We hope you enjoyed looking through your child's work.

**The school will be closed next week and we will be back on Monday 18th February.**

We will be busy preparing our electricity work for our Shared Learning time on Friday 1st March 9-9:45am.

**We hope you all have a wonderful holiday!**

Please note that this bulletin is available to view online at the Trinity Primary School website: [trinity-pri.com](http://trinity-pri.com)

It can also be viewed through the window of the P4M classroom, which is on the ground floor of the chalet.
