

TRINITY PRIMARY SCHOOL
Weekly Bulletin
Class: P5C, P5D & P5S Date: 22/02/19

Remember!

This week,

- we have started our new topic, The Jacobites. We have been learning about who the Jacobites are and we look forward to learning more about their daily life.
- in science we have been learning about the differences between solids, liquids and gasses.
- in numeracy we have been learning how to calculate the missing number in a sum. Some children have also been working on written division.
- we have been looking at the properties of 3D objects and describing them.
- we had a whole school assembly about how resilience. We were thinking about the different kinds of people we would have in our back up team and why.
- we listened to the songs from our Scottish Opera and we are beginning to learn them.

- Bring home learning on Friday
- Please bring an art shirt for Sculpture Workshop.
- Please bring a full PE kit.
