### This Week

This week we have continued to work on giving change from £20 in maths. We are finding this challenging and will continue to work on this skill.

In literacy, we have written thank you cards to the V & A Museum and the RRS Discovery Centre. We have also written summarised reviews of our visits.

In PE, we have continued to work on our orienteering skills including map reading and using a key.

We started learning how to classify invertebrates. We went on a bug hunt in the Secret Garden. We also used nets to go pond dipping.

### Next Week

P4M are starting a new PE block learning tennis skills.

P4S are having their last swimming session. Group 2 must remember to bring shorts and t-shirt or pyjamas to wear over their swimming clothes.

Please note that this bulletin is available to view online at the Trinity Primary School website: [trinity-pri.com](http://trinity-pri.com)

It can also be viewed through the window of the P4M classroom, which is on the ground floor of the chalet.
