This week,

- we have come to the end of our Jacobite topic. We have really enjoyed our topic and have learnt lots of interesting facts.
- to end our topic we had a visit from Mr Hunter who is an expert on the Jacobites. He brought in a sword and we were interested to hear about the history of the sword. He also told us lots of interesting facts.
- in maths, we have been looking at mixed number, improper fractions and equivalent fractions.
- we have edited and published our story about the Jacobites. We then drew a picture to go with our story.
