

P7 Show Update!

Primary seven are currently working hard in preparation for their upcoming performance on 2nd April!

Over the past couple of weeks, we have been busy practising our singing and dancing. The children have been very enthusiastic and have been putting in a lot of effort! In addition to this, we were happy to launch our script last week. Since launching, the children have been working hard on memorising their lines and acting. Out with show practice, the children have been busy consolidating their learning following our trip to the Risk Factory, data handling and working on our #writingworks topic. This will continue over the next few weeks.

Show practice will continue over the next few weeks, we will be busy rehearsing all aspects of the show. The children are encouraged to be practising at home. We are asking that the children please remember to bring their water bottles, song lyric booklet and script.

A costume list was issued for whole cast performances this week. If you have any problems with any of the items, please don't hesitate to contact the school for advice / help. Please can all items on the list be sent to school, in a hand luggage style suitcase, by Friday 22nd.

We look forward to seeing you all soon for the grand finale!

Primary Seven Team
