This week's Trinity Superstars from P4 are:

This Week

We really enjoyed our trip to Dundee. We created our own video games in the V&A and explored their inspiration exhibition. We had a guided tour around the RRS Discovery and enjoyed learning about Captain Scott's journey in the visitors centre. Thank you to all the parents and grandparents who came to help us.

We wrote fliers to persuade others to come and visit Dundee.

We have been learning to classify vertebrates and have designed and built our own creatures.

Thank you for donating any money to Comic Relief during our Red Nose day activities.

Next Week

We are starting our new Building Resilience block- 'Respect Yourself'.

We will write thank you cards to the V&A and RRS Discovery.

We will go on a bug hunt as part of our Living Things science topic.

Please note that this bulletin is available to view online at the Trinity Primary School website: trinity-pri.com

It can also be viewed through the window of the P4M classroom, which is on the ground floor of the chalet.
