

P3 Homelearning

💡 **REMEMBER!** 💡

- Over the next 5 **weeks** you can complete any 5 **bubbles** in any order that you wish. Think carefully about the best way to record your work. **MAKE, SAY, WRITE** or **DO!**
- Don't forget your weekly reading tasks! These will be given to you by your teacher each week.

16th May - 13th June

2019

Life Skills Keeping Myself Safe

- Learn your parent's mobile number
- Tell someone what you would do if you got lost
- Give 2 ways you can show kindness to a friend

Science

Make a paper aeroplane and test how far it can fly carrying 4 1p coins.

Challenge: What else can your aeroplane carry?

Time

Find out which day of the week the following special occasions happen in 2019.

- Diwali 27th Oct
- Halloween 31st Oct
- St. Andrew's Day 30th Nov
- Christmas Day 25th Dec
- New Year's Eve 31st Dec

You can use a calendar, a phone or a computer.

Writing

Find out about an invention from the last 50 years. Write a short report about who invented it and what it is for.

Weekly Reading

Read your reading book at home. Look at your reading record to remind you what to read each week.

Own Choice

➕ Numeracy

- Continue to work on your times tables at home. This year we are focusing on the 2, 10, 5, 3 and 4 times tables!
- Use your times facts to start dividing by 2, 10 and 5

Maths

Keep playing
Sumdog.

French

Focus on introducing yourself, how old you are and you live with.

Health and Wellbeing

Please share any physical activity that you participate in out with school.
